- R91 WEIGHT:** if in the opinion of the Judges an exhibit in the Ridden Hunter classes is in the wrong weight, transfer to the correct weight class is permitted, and no additional entry fee will be levied.
- R92 HEIGHT:** If the rules of the class require a height certificate all certificates must be available with the horse/pony for inspection, failing which the horse/pony may be measured. Failure to pass this height test or to comply with the Joint Measurement Scheme Rule Book will disqualify the horse/pony from competition. The decision of the Society's appointed Veterinary Surgeon will be final.
- R93 ELIGIBILITY:** In all classes, animals must be practically sound and no veterinary inspection will be required except where it may be considered necessary by the Judges, or on a protest being lodged. The owner of the animal rejected for unsoundness may, upon request in writing to the Director, be furnished with a copy of the Veterinary Inspector's Certificate, and if he so desires, may remove the animal from the showground at once upon rejection.
- R94 CLASS ATTENDANCE:** it is the exhibitor's responsibility to present their exhibit(s) on time for classes.
- R95 AMALGAMATION OF CLASSES:** The Society reserves the right to amalgamate classes if appropriate.
- R96 BREEDING CLASSES:** Mares whose foals have died or are prevented from being exhibited owing to accident or illness CANNOT be exhibited.
- R97 EQUINE INFLUENZA:** Equine Influenza and Tetanus vaccinations are a compulsory requirement for all horses attending the Three Counties Showground. The requirement for the first 3 vaccinations is as follows: the first 2 vaccinations **21 – 60** days apart, a third booster between **100-180** days, and an annual booster vaccination within 365 days thereafter. No horse should enter competitions within 7 days of an EI vaccination. Foals should commence vaccinations at 6 months old and must have received two primary vaccinations before attending the show. Foals 6 months old and under are exempt. This Rule may be subject to change from guidance from the FEI/BEF and any changes will be notified via the Showing Council and ASAO websites. Random checks on vaccinations will be made.
- R98 FARRIER:** A farrier will be in attendance each day of the show from 07.00 until 18.00.
- R99 FALL OF HORSE/PONY OR RIDER:** A fall of horse/pony or rider during any class will result in elimination. The rider must not remount in the ring and should see a medically qualified attendant before remounting.
- R101 OWNERS/HANDLERS:** All horses must have a competent person in charge.
- R101 ALL STALLIONS:** are to be stabled in separate accommodation for Health & Safety reasons.
- R102 DRESS CODE:** Grooms/Attendants appearing with animals in judging rings must be of smart appearance and in proper dress code (not jeans), with appropriate headwear,
- R103 MOBILE PHONES:** The use of mobile phones is not permitted within the Collecting and judging Rings.
- R104 TIMETABLE:** Classes may commence at or after the published time. The Society will not be responsible for any loss where an exhibitor has made entries in more than one class and because of a time over run it is not possible for him/her or the horse/pony to compete in one or more later classes. No claim for refund of fees paid or other loss, direct, indirect or consequential will be accept or paid. Once a class has commenced trotting it is deemed the class is closed and no further exhibitors may enter the ring.
- R105 SHOWING:** In some circumstances exhibitors may be asked to perform their show two at a time. The Judge may choose to organise a set show for exhibitors to perform.
- R106 SUITABLY MOUNTED** - All animals ridden anywhere on the Showground, rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, as an overweight animal is also a welfare concern. Welfare Officers, appointed by the Three Counties Agricultural Society, will be monitoring the Equine Areas and have the power to ask riders deemed too large to dismount. ***If riders re-mount after being approached by the Welfare Steward, they will be disqualified. Only riders competing in the relevant class may be in the Collecting Ring.***
- R107 SENSORY WHISKERS** - are the hard hairs located on the horse's muzzle and around the eyes, also known as 'whiskers' that are used for sensation. It is recommended that horses should not have whiskers trimmed or removed (other than for veterinary purposes or with a vet's certificate). ***Brood***

Horse and Pony entries close: 30th April 2025 by post. 09th May 2025 online.

Show Jumping on line entries close 11th June. Drawn orders published on the website.

Mares, foals and youngstock must present with no evidence of whiskers or sensory hairs having been removed.

R108 EQUINE OBESITY - must be avoided and all horses / ponies exhibited should be fit for purpose for the event or class they are competing in. Having a horse / pony which is obese is extremely detrimental to its welfare and animals carrying too much fat are at a significantly increased risk of developing serious health and welfare issues.

The poster features the 'Horse of the Year Show' logo at the top, which is a purple circle containing a white horse rearing up. Below the logo, the words 'horse of the year show' are written in a large, white, serif font. Each letter of the text is filled with a different photograph of horses and people at a show. Below the main title, the text 'SAVE THE DATE' is written in a bold, yellow, sans-serif font. Underneath that, '8TH - 12TH OCTOBER 2025' is written in a bold, purple, sans-serif font. At the bottom of the main text area, 'HOYS.CO.UK' is written in a smaller, yellow, sans-serif font. The bottom of the poster features a white background with five logos: bp LIVE, OSBORNE, ANDREWS BOWEN, a red horse logo, and GRANDSTAND.

HATS - NEW RULE

All riders of horses, donkeys or ponies on the showground or exercise areas are required to wear suitable head protection (hard hat) that conforms to the current standards for head protection for equestrian activities. Helmets must be worn with the chin straps correctly and securely fastened at all times whilst mounted. This applies to all ridden competitions, demonstrations and whilst exercising. We strongly recommend that helmets are worn at all times when handling horses, donkeys and ponies on the ground.

H312 Accumulator – starting height 1.15m**approx 2.00pm**Rule 274. Table A. Speed 375mpm. Start Height 1.15m. **DRAWN ORDER**

Most fences will be at a height of 1.15m. The Joker will be at 1.40m.

The competition takes place over 6, 8 or 10 obstacles which are progressively more difficult. No combination obstacles are allowed. The progressive difficulty is not solely due to the height and spread of the obstacles but also to the difficulty of the track.

Points will be awarded as follows:

One point for obstacle No. 1 cleared, two points for No. 3, three points for No. 3 etc with a total of 21, 36 or 55 points.

No point is awarded for an obstacle knocked down. Faults other than knock downs are penalised as for Table A and any of these faults, including time faults, are converted into points and deducted from any jumping points scored.

In the event of equality of points for first placed, there will be a jump off against the clock over a shortened course over obstacles that may be increased in height and / or spread. The obstacles in the jump off must be jumped in the same order as in the first round and retain their respective points allotted in the first round.

This competition may also take place directly against the clock.

For the last obstacle of the course, an alternative obstacle may be provided, of which one part may be designated the Joker. The Joker must be more difficult than the alternative obstacle and carry double points. If the Joker is knocked down, the points must be deducted from the total.
